John, Robert:

We will introduce the Motions AFTER the Recess so no need to deliver next week
- anytime after Council reconvenes will work.

Thanks ggg

I'll have an edit for you on Monday. I'm available on Monday to discuss if you'd like, or I can just send the revision.

Attached is a draft Council Motion re. economic development incentives related to a proposed hotel use at [1330 W. Pico Blvd.](#) in CD-1. I have more detailed background information on the proposed development and can make myself available to discuss further if you'd like.

We have asked Roberto Mejia to prepare a land-use motion re. initiating a General Plan Amendment to facilitate entitlements for the same site.

It would be ideal to introduce both at the same time at next Wednesday's session, if at all possible, and refer both to Committee.

Thanks, ggg
